

Dear Friend of Warner Library,

November, 2016

We hope this letter finds you happy, healthy, and in good spirits as we welcome in the New Year. We have exciting news: the long planned renovation of our third-floor program rooms has begun this year! The third floor will be updated with energy efficient lighting and technology to support presentations and performances, and will feature a new floor and ceiling. Included in the renovation plan is the creation of an additional small meeting room to accommodate the many local non-profit and study groups that approach us requesting meeting space each day.

It has been a busy and productive year at Warner. Highlights include the creation of a new, public meeting space behind the Reference Desk, the introduction of Wi-Fi hot spots for Warner patrons to borrow, and our continued collaboration with many community partners to bring programs and services to the library-- particularly ones serving children. For example, *Solo Una Banana* (pictured below), an original dance performance created by Jill Liflander, was the culmination of a partnership between the library, Rivertown Artists Workshop, and the RHSM Life Center in Sleepy Hollow.

We look forward to 2017 and the opportunity to continue to respond to the needs and interests of the residents of Sleepy Hollow and Tarrytown. Your generous donations help the library thrive as we serve our dynamic and vibrant community. We hope you will consider us when making a decision about where to donate your hard earned dollars.
