How do I play? Read 1 adult-level book in any format., fill out a log-sheet and select a prize at the Reference desk.

Do teen/young adult books count? They do!

Do juvenile/kids books count? They do not.

Is non-fiction okay? It's fantastic! There are no genre limits—mystery, non-fiction, adult graphic novels, cookbooks, crafts, etc.—they all count!

Does it have to be a book from Warner Library? Nope. Books from home and other libraries count. But, our books will miss you and be sad.

Where do we meet? At the Reference desk, during library hours, whenever you're in the library. There are no scheduled meetings. You come and go as you please.

How many times can I play? As many times as you like! The more you read, the more you win.

What's the Raffle Basket? It's the grand prize that's given away at the **Summer Reading Party**. Mark your calendars for **Saturday, September 10 at 2:00PM.**

How do I enter the Raffle Basket Drawing? By handing in a log-sheet. The more often you read, the better your chances of winning. But you still get regular prizes!

My Question Isn't Here. Give us a call at 914-631-7734 or visit the Reference desk.
